So if Jesus really did die
and rise from the dead,
what does that mean for us

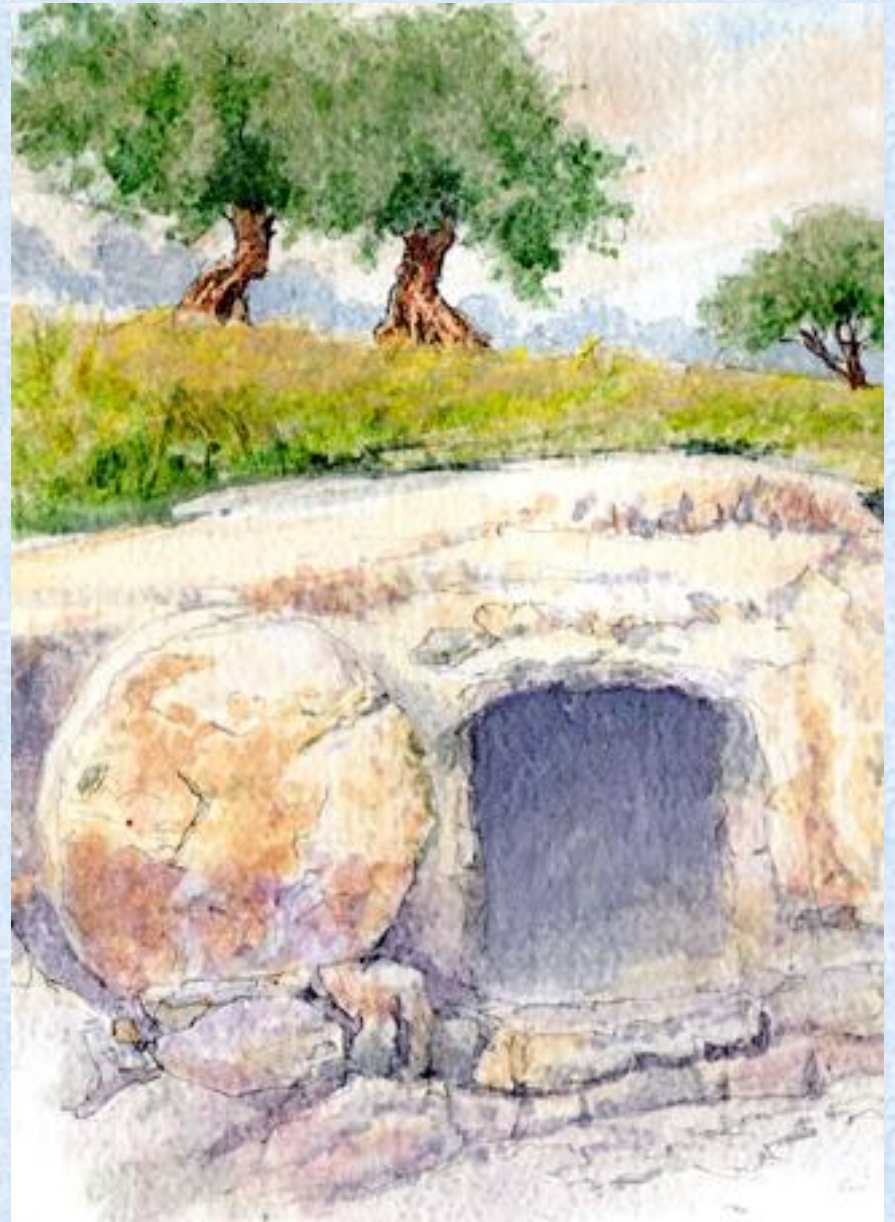

Jesus is no
ordinary
man. He is
God who
became a
man. He
lived a
sinless life.

Jesus death on the cross was no accident. He willingly gave His life to take the punishment for what we do wrong. We need believe that and ask Him to forgive us.

Jesus
conquered
death - He
came alive
again and
after a while
He returned
to heaven.

If we are
trusting in
Jesus, we too
will one day
go to heaven
- when we
become old
and die.

At Easter, we praise God:-

- ✠ that Jesus is alive
- ✠ that He will forgive us when we tell Him we are sorry for our sin
- ✠ that He promises to give us eternal life in heaven when we die
